CITY OF CROCODILES

by Knut Larsson

The fourth **Borderline Press** release is a post apocalyptic surreal fantasy by one of Sweden's brightest talents. **City of Crocodiles** is a mystic and mythical tale of one man's search for something he wasn't aware he needed.

Beautifully rendered, Larsson is a unique talent and was recently described by someone as 'Beryl Cook on acid'. This wordless drama draws you in and keeps hold of you, protecting you from the cold and slimy embrace of this world of crocodiles...
